

Media Use Permission Form

Child's Name _____ Age: _____

Here at Stepping Stones Learning Center we use many different means of media to help with the education of our students. Educational computer software, as well as Kindle educational video games can be used during free play times noted in our schedule. Television is used briefly during lunch clean up time, right before nap, and is also done with educational learning programs. Media use is strictly used only during times noted on our schedule as free play time, and for no longer than 20 minutes per session, per child. On occasion your child may be allowed to bring his or her own device. Stepping Stones Learning Center will not be held liable should any personal devices be damaged.

I understand the policy of Stepping Stones Learning Center and I do / do not give permission for my child to use or view the following:

	YES	NO
Television Viewing	_____	_____
Video Viewing (G RATED)	_____	_____
Music	_____	_____
Video Games	_____	_____
Kindle Use	_____	_____

My child may engage in the approved activities for up to 2 total hours per day.

Regulations require that we have permission from parents to participate in the above activities. These activities MUST NOT contain violence, profanity, nudity, sexual or inappropriate content. All children must be provided with an alternate activity once the child/children lose interest in the media activity.
