[PLEA](#)

The Public Legal Education Association of Saskatchewan (PLEA) is a non-profit, non-government organization that exists to educate and inform the people of Saskatchewan about the law and the legal system.

PLEA is different from a lawyer's office or a legal aid clinic in that it provides general information on the law rather than legal advice for a specific problem. PLEA produces publications on many areas of the law and makes them available to the public at no charge.
