Specifications

ATTRIBUTE	DESCRIPTION
Physical Form	Purple Liquid
Odor	Strong Caustic Odor
Solubility	Complete in Water
Foam	Moderate
Viscosity	Water like
pH (Typical)	12.8
Flash Point	Not Applicable

Dilution Ratios

Use	Dilution
Heavy	5:1
Moderate	6:1 - 10:1
Light	11:1 - 20:1

Available In

PART #	SIZE
02A130	5 Gal.
02A131	55 Gal.
02A132	275 Gal.

FCS #2A Degreaser

Tech Data Sheet

Our #2A Degreaser is a quality alkaline detergent designed to emulsify, suspend, and remove grease and oil from most surfaces. Safe to use on all other surfaces, cleaning trucks, tractors, painted trailers, buses etc. Suggested use as a 1 step soap. Do not use on mirror-polished or anodized aluminum.

Benefits

- ◆ Safe on painted surfaces
- ◆ Helps remove difficult grease and oils without brushing
- ◆ Environmentally friendly, resulting in a nearly NEUTRAL WASTE water when paired with 1 Step detergents. There is less need for waste disposal solvents or high phosphates.

Applications

- ◆ Brightens and whitens non-polished aluminum
- ◆ Use as a 2nd Step fleet brushless fleet cleaning.
- ◆ Neutralizes acidic pre-soak detergents guarding against new film buildup.

Precautions

- ◆ **DO NOT ALLOW TO DRY ON ANY SURFACE**
- ◆ **DO NOT USE ON POLISHED OR ANODIZED ALUMINUM**
- ◆ **CONTAINS POTASSIUM HYDROXIDE.
PERSONAL PROTECTION EQUIPMENT SHOULD BE WORN**

Note: Cleaning effectiveness is affected by: temperature, concentration, dwell time, water hardness, and soap application pressure. Soap concentration may be adjusted to compensate for changes in these conditions.
