

LifePlan is a holistic resource center that helps people choose life and live a Hope-filled life through education, support, and services. LifePlan has locations in both Niles and Benton Harbor, Michigan.

LifePlan exists to spread the Gospel by helping people choose life and live a Hope-filled life. The GOSPEL is the good news of Jesus Christ's death and resurrection for our sins. This message fits within the larger story of creation, fall, redemption, and restoration and is lived out by individuals through faith and repentance in the power of the Holy Spirit.

The GOSPEL is foundational to our ministry because it helps us address the deep problems associated with crisis pregnancies. Though we are sensitive to the complex social, moral, and psychological factors affecting families and individuals in crisis, we believe that the deepest problem of all is a broken relationship with God. This problem cannot be solved by mere morality

The GOSPEL shapes our ministry practice as we serve and teach families, churches and communities.

Individuals and families in crisis need more than practical education and moral instruction: they need grace, forgiveness, hope, compassion, and love. They need the transforming power of God's redemptive mercy in Christ.

Our ministries include a wide range of practical services including pregnancy tests, ultrasounds, material support, education, counseling, fatherhood support, and practical training. The GOSPEL sharpens our ministry focus as we teach people to embrace God's value for every human life, born and unborn. This conviction is rooted in Scripture, verified by science, and finds its greatest demonstration in the GOSPEL itself, where God demonstrated his love by sending his Son to rescue us from sin and death.
