

Gladys May Horton - Class of 1973

Southeast Memories

I remember Homemaking Class with Mrs. Bailey and Music with Mr. Dorch and Doris Johnson. Also, I participated in Pep Club.

We lived at 5710 Askew when I was in high school. A number my family members also graduated from Southeast:

- Robert May - 1971
- Kelvin May - 1978
- Lynn May 1979
- Carlton May - 1981
- Olivia May - 1986

Beyond Southeast

In my free time during high school, I enjoyed bowling, and I was a part-time pharmacy tech.

After graduation, I attended CMSU. I worked for Social Security Administration for 38 years, and I am a Certified MedTech.

My message to other Southeast graduates is to simply enjoy life.
