MITIOG

July 20th-26th

Celebrating 50 years! This year's theme is Peace, Love, Camp MITIOG.

Camp MITIOG is a summer camp for youth 7-16, who are living with Spina Bifida. Spina Bifida is a neurological defect causing incomplete closure of the spine. Campers vary in physical limitations, from full use of wheelchairs to accessible devices for walking. We strive to have a one camper to one counselor ratio so each camper's needs are met. Campers, counselors and staff alike experience what being **Made In The Image Of God** means in today's world.

Camp MITIOG is always looking for counselors and counselors-in-training. If you are 16 years old or older and wish to be a part of a great service ministry, contact Gary Libeer or Laura Huyett, or visit www.campmitiog.org.
