There are four unique forms of love found in the Bible.

Bible Translations

Contrary to what many may believe, the King James Bible, the Authorized version (1611) was not the first translation of the bible. It was the third translation following “The Great Bible in (1535) and then “The Bishops’ Bible” in (1560).

The [books of the King James Version](#) include the 39 books of the [Old Testament](#), an intertestamental section containing 14 books of the [Apocrypha](#), and the 27 books of the [New Testament](#).

It was the first book printed on the Guttenberg press but not the first time it was printed.

It is well known that many changes were made from the original manuscripts. Fourteen by Archbishop Bancroft himself.

I believe that the word of God is true, but I have to consider that there may be a few discrepancies as a result of convenience changes, linguistic adaptations, and translations errors. That is why we must study.

The fact that there are so many different translations (see Below) should cause us to pause before becoming too dogmatic about any one translation.

NO OTHER GOSPEL

No Other Gospel Part 1 - Greatest threat to the church is from within - More harm was done by the false prophets and teachers within the church. I believe that this is still the greatest threat to the church today.

No Other Gospel Part 2 – We must partake of solid “spiritual;” food to recognize the difference between right and wrong (*Heb 5:14*) example given in Isaiah 9:6 used to prove every appearance of “angel of the Lord” means Jesus (*Judges 13:17-18*). All cause by a misplaced comma.

No Other Gospel Part 3 - The Most Essential Doctrine – The gospel of God. God is the God. *Hebrews 11: 6 (NKJV) 6 But without faith it is impossible to please Him, for he who comes to God must believe that He is,*

No Other Gospel Part 4 - The Essential Doctrine of Love – The love of God is the epitome of love. God is love. Eros, Storge, Philia, Agape.

No Other Gospel Part 5 - The Essential Doctrine of Faith – includes faith in the Scriptures and Gospels with understanding of the evolution of our existing Bible through manuscripts, multiple copying and translations and alterations.

No Other Gospel Part 6 - The Essential Doctrine of Deity of Jesus – the Gospel of Jesus Christ, the deity of Jesus and the Doctrine of the Holy Spirit.

No Other Gospel Part 7 - The Essential Doctrine of Salvation – What do we mean when we say we are save or we have Salvation?

No Other Gospel Part 8 - The Essential Doctrine of the Trinity – A non-Essential Doctrine

No Other Gospel Part 9 - Bad Example of The Trinity – God is not the author of confusion.

No Other Gospel Part 10 - Verses Used to Support the Trinity Doctrine - I have searched the scriptures and reviewed many sites and writing that adhere to the Trinity doctrine and tried to find the hardest verses that are used to support the Trinity.
