## Mission Impact

### Mission

*To provide educational resources to k - 12 students in San Antonio public schools who lack the necessities for academic success*

This section gives insight into what is important to A+ Academic Resources and shows the impact our programs and services have on mission accomplishment. The organization's programs and services are consistent with its mission and tax-exempt purpose. As indicated below, our programs are striving to significantly impact the communities we serve.

### Academic Resources Program

The Academic Resources Program provides academic resources such as (a) school uniforms, (b) gym shoes, (c) backpacks, (d) books and (e) school supplies to keep children in school. These resources are provided to children in need. Beneficiaries are students attending public schools, from K - 12 grade. A total of **\$6,295** supported **117** students and **4** Teachers' classrooms through the Academic Resources Program.

### Boysville

A+ Academic Resources provided **\$1,000** in gift cards to **20** students for back to school shopping for clothes and shoes. Additionally, Boysville received **\$2,500** (in-kind donations) worth of educational support resources.

### Child Advocates San Antonio (CASA)

### San Antonio Independent School District (SAISD)

### Clear the List

Teachers called on the San Antonio Community to help them clear their classroom school supplies list. A+ Academic Resources was able to answer the call because of the loving-kindness the people of San Antonio share each day. Together, we helped **4** outstanding San Antonio Teachers clear their school supplies list. A total of **\$445** purchased sketchbooks, 2H pencils, pens, books, play-doh, chair bands and more! The chair bands were a high priority request to help students who have trouble sitting still in the classroom. Now, they can move around in their chairs and *learn!*

### **Joint Operations**

A+ Academic Resources Quotes for Good was a home run! We collaborated with dynamic Steven Garza - State Farm Insurance Agent to raise funds for academic resources. Our joint efforts resulted in **\$500** to provide gift cards for school clothes and shoes to **10** students at CASA. When nonprofits and businesses *work together* to make communities stronger and better, many lives are transformed!

### **Community Partnerships**

A+ Academic Resources has linked with Texans Can Academy (TCA) to ensure high school students receive the best shot at academic success, so they can become impactful adults. Some of the programs and services that we are gladly providing are career counseling, mentoring and snacks and meals. We look forward to helping the super bright students at TCA graduate as thinkers and achieve their dreams!

### **Funding the Mission**

Fundraising is mandatory for nonprofit organizations since they rely heavily on in-kind donations to obtain needed resources to provide mission-essential programs and services to those in need. The A+ Academic Resources Board and Staff gave **\$5,315 (cash and in-kind donations)** and raised **\$980** to fuel the organization's mission, programs and services. We will continue to invest our time, talents and treasures to provide academic resources and educational experiences to achieve students' academic success.
