Food Allergy

The Cricketers Pub makes every attempt to identify ingredients that may cause allergic reactions for those with food allergies. Every effort is made to ensure that all our staff involved in the production and preparation of food are aware of the severity of food allergies. In addition, we label items with possible allergen-containing ingredients to reduce the risk of contamination. If you are concerned about food allergies or have any requirements or questions about our menu, please contact us and our staff will be happy to help. There is also a possibility that manufacturers of the commercial foods we use could change the ingredients at any time, without notice.
