FOUNDERS

ALINA LIWO

CO-OWNER/ CEO - INTERNATIONAL

B.Sc in Applied Sciences & Arts

Specialization: Fashion Design & Merchandising

Alina Liwo is of Cameroonian ethnic background, but she was born and raised in Dubai, United Arab Emirates. She moved to the United States with her family at the age of 16 and got her Bachelor's Degree in Applied Sciences Arts from the Southern Illinois University at Carbondale; majoring in Fashion Design & Merchandising, with a specialization in Fashion Design.

This May 27, 2019 marked the 10 year anniversary of her fashion brand, ALITI FASHIONS, USA.

Since the launch of Alina Liwo's brand, she has been asked to showcase her collections within the US and at major fashion shows such as New York Fashion Week as Emerging Designer of the Year, London Fashion Week, Miami Fashion Week, Berlin Fashion Week, Brazilian Fashion Week, Sydney Fashion Week, and her attendance has been requested at fashion shows in Paris, Dubai, Ghana and many more. She has designed evening gowns worn on the red carpet; as well as wedding dresses and evening wear for clients spanning from Europe to Dubai.

When showcasing previous collections, Alina never discriminated against the size of a model, but required technique on the runway. Together with her sister, Izabel Liwo, they began training select groups of models before they could walk the runways at her shows. Since then, some of these models have moved on to model in New York Fashion Week, for brands such as Aeropostale, and through created opportunities, have taken on acting and have been a part of scenes as extras for TV shows like GLEE, etc.

The request for the duo's model coaching services grew over the years and led to the launch of Illinois based company, ALITI Productions & Talent Agency (ALITI P&T) in 2013; which she owns along with her sister, Izabel Liwo. The UAE branch, ALITI Productions & Talents FZ LLAE, was launched in September 2017 and focuses on the management and representation of international Talent.

Alina believes in the importance of philanthropic work, and is always looking for ways to give back to the community; hence the launch of in-house ALITI Cares. She has submitted pieces to SIUC's annual Red Dress Fashion Show, which creates awareness for heart disease in women and has organized fashion shows with profits donated to the BGC.
