

All the things of November have come to an end
No turkey, no dessert although leftovers might be a friend
December has much to offer too you see
Field trips, sing a-longs and even a spelling bee
Through it all we do our best to keep our cool
Knowing that some of our kids' best times, are at school
So, no matter what this month brings, always remember
The wonderful difference you make with your kids goes far
beyond December!

Love,
Mrs. Bowers
