

SNOWFLAKE PRINCESS

Purchase at: www.emilyisaacsoninstitute.com or HOUSE OF JAMES

Author: Poet Emily Isaacson

The naturalist and the philosopher return in this timeless classic about life, death, and the nature of love. Emily Isaacson's prose-poetry shines in this tale of a young woman and her struggle for survival in a hospital ward. This story in poetry is a window into the human soul, and redemptive tale of the power of the will.

Emily Isaacson walks with you through the beauty of nature with unique exhilarating perception. She takes you on a peaceful journey through heavenly realms with the Divine as you discover purpose and meaning for your life. Taking the painful tragedies of life, and turning them into triumph, her colorful words dance off the pages and fill your heart with healing better than any physician. She escorts you out of the miry pit and leads you straight to the pearly gates of heaven. Reading this magnificent book will calm the storms in your life!

-- Preston Bailey, Ph.D. Psychologist
