Dear Ms. Jones;

We would like to take this opportunity to thank you for your donations of gift cards to some of the children at St. Christopher's Hospital for Children. The families and children are most appreciative for this generous donation.

Thank you so much for thinking of the children who are battling cancer at this time. Your gift truly puts a smile on the kids during this difficult time. We wish you a happy and healthy New Year!

Sincerely;

A handwritten signature in black ink that reads "Robin Capecci".

Robin Capecci, LSW
