

Turn the Tide FESTIVAL

We're back!

Welcome to your Turn The Tide Festival 2018 programme.

We had so much positive feedback from last year's festival that we decided to do it all over again – bigger, better and with even more diverse entertainment for the residents of Dymchurch and the Romney Marsh.

All events are completely free and held in indoor venues.

TTT is weatherproof so don't be put off by a bit of autumn rain – grab your coat, tell your friends, neighbours and family, and come and have some fun!

From Cossack dancing to a top string quartet, singing and poetry to dazzling acrobatic jugglers, storytelling and opera to fencing, we hope we have something for everyone.

Plus, this year we have a special place for the Romney Marsh youth, and we welcome Dirtee South (you'll hear them before you see them!) and on Monday the amazing Team Extreme – the UK's only professional extreme sports display team.

Keep up to date!

All events are subject to change due to any unforeseen circumstances – and there's likely to be more things happening so keep an eye on our website.

Design a Candy Bar Competition

As part of TTT Festival, Sylvia & Terry's Chocolate Shop are running a fantastic competition - design and name a candy bar and they will create the winning bar for the festival weekend.

Call into the shop for details.

Thanks to our numerous supporters including Magnox, Roger de Haan Charitable Trust, National Lottery Big Lottery Fund, Kent Community Foundation, Brook Trust Fund, Martin Whybrow, Living History Workshops, and local traders.
