Specifications

ATTRIBUTE	DESCRIPTION
Physical Form	Pink Liquid
Odor	Tropical
Solubility	Complete in Water
Foam	Moderate
Viscosity	Water like
pH (Typical)	<12.5
Flash Point	Not Applicable

Dilution Ratios

Use	Dilution
Heavy	1:1 - 5:1
Moderate	6:1 - 10:1
Light	11:1 - 20:1

Available In

PART #	SIZE
02G130	5 Gal.
02G131	55 Gal.
02G132	275 Gal.

FCS #2 General Wash

Tech Data Sheet

Our #2 General Truck Wash is a highly concentrated detergent for the rapid emulsification of dirt, grease, oil, and road film. Safe to use on all surfaces, cleaning trucks, tractors, painted trailers, buses etc.

Benefits

- ◆ Safe on painted surfaces
- ◆ Helps remove difficult magnetic road film without brushing
- ◆ Helps as a Degreaser
- ◆ Environmentally friendly, resulting in a nearly NEUTRAL WASTE water when paired with 1 Step detergents. There is less need for waste disposal solvents or high phosphates.

Applications

- ◆ Brightens and whitens non-polished aluminum
- ◆ Use as a 1 Step fleet brushless cleaning.

Precautions

- ◆ **DO NOT ALLOW TO DRY ON ANY SURFACE**

Note: Cleaning effectiveness is affected by: temperature, concentration, dwell time, water hardness, and soap application pressure. Soap concentration may be adjusted to compensate for changes in these conditions.
