Student at University of Hawaii Maui College (May - 2021)

Summary

At this point in my academic career, I expect to graduate in Spring 2021 with my AA in Hawaiian Studies and Certificates in Human Resources.

Alongside regular college, I am in attendance of Family Farm Training Network Cohort #5 and Council of Native Hawaiian Advancement's Kū Hana Business Cohort #1. On weekends, my friends have formed a mobile restoration unit where we go all over to help people restore their land or get a project done on their farm. We use much of our farm goods to feed the communities who cannot afford healthy food. On occasion, I volunteer at Maui Historical Society or take the role of an active parent with my children's canoe club. On Thursday April 16, 2020 I pulled my papers to run in the 2020 election for the House of Representatives District 9 Kahului, Hawai'i seat. May my servitude go before me.

Intended Job Path

I am in the process of building a business plan and obtaining a farm. where I will open an education center and market. My campaign to run for House of Representatives is simply to inspire positive change in the world through governance that protects what matters.

Grad school Interests

Anthropology and social work double major, with a side dish of Indigenous Studies.
