VICE PRESIDENT'S MESSAGE

I came back onto the Board last September, when Bruce Wildenradt resigned due to family matters that needed his complete attention, and these past ten months seem to have flown by. They have been a tough ten months, but I am optimistic that things will improve. Paradise Park seems to be a microcosm of the outside world. Not only have we dealt with a worldwide pandemic for the first time in history, but we also have some angst and distrust. We need to come together as a membership again to work towards peace and trust.

We have a big election looming in front of us. So, whoever you elect to serve on the Board of Directors, I ask that you work in positive ways to help and support them.

I very much enjoyed being on the Board and putting in the work necessary to ensure the future of Paradise Park. I wish everyone the very best.

Fraternally,
Kurt Likins

2020 CANDIDATE FOR THE PARADISE PARK MASONIC CLUB BOARD OF DIRECTORS

NAME: Sevilla Granger

PARK ADDRESS: 452 York Ave

RESIDENCE ADDRESS: 452 York Ave

FAMILY: Sister Dana Iova-Koga (OES Alameda Oak Leaf #8)

PARK MEMBER SINCE: September 2014

MASONIC AFFILIATIONS: Eastern Star Golden Gate Chapter #1, Star of the Redwoods #219 (voluntary demit 2019), Rainbow Girls, NC (1976-1982).

EDUCATION: BA of Environmental Design, minor in Textiles, NC State University College of Design

CAREER SUMMARY:

I have worked in various aspects of the sustainable textile and creative fields in the US and Europe for over 25 years. While still an undergrad at NC State University, I started my own successful fashion accessories business, which I quickly translated into a career as a Costume Designer in the film and television industry in Los Angeles. In 2004 I moved to San Francisco, and evolved my career to textile product design for such large brands as Williams Sonoma and Gap/Old Navy.

I currently work for Textile Exchange, the largest global non-profit that is dedicated to transforming the textile industry to be more sustainable. My professional commitment to sustainability is matched by my love of travel, nature and involvement as an artist and organizer in the San Francisco arts community.

OTHER RELEVANT EXPERIENCES:

I grew up in a small town in the Appalachian Mountains of Western North Carolina. Both my Grandfathers were Masons, both my Grandmothers were Eastern Star members, and I was a Rainbow Girl. I grew up surrounded by the strongly aligned values of Southern Baptist and Masonic traditions. I carry these values and traditions into my life, career and art.

My professional skillset lies at the intersection of systems thinking, project management and negotiation. I work with top level executives in international corporations to make transformational breakthroughs in global industrial systems. We work with high level strategic, long term vision, and the understanding that by working together, we can evolve our industry to be sustainable and profitable for people and planet.

I have served on several Boards of Directors including Textile Exchange (global textile sustainability non-profit), Artspan (SF largest independent arts organization), Mission Artists United (SF Mission community arts organization), two condo homeowners associations, and the SF Tourist Club (108 yr old SF branch of 200 yr old international hiking and adventure club). I believe this combination of leadership experiences will serve our community, which is a unique mix of homes, nature, recreation and traditions.

REASON FOR RUNNING:

I have been observing and listening to our PPMC community for 6 years now, looking for the best place I could contribute to our stability, longevity and quality of life here in the Park. Over the years, several members have asked me to consider serving on the Board. I now feel I have participated enough to see where my skills and experience can best serve our community, which would be to serve with our Board.

WHAT DO YOU BELIEVE TO BE THE FUNCTION OF THE BOARD?

The function of our Board is to serve our PPMC community, listen to the needs and carry out their direction (via the by-laws) fairly and accordingly. The Board should always reflect on the original intention of our founding members, maintain their spirit and respecting our traditions, while taking advantage of any new advancements or technologies that could benefit our community. I take the details found on pages 15-22 of our current bylaws very seriously in regards to how the Board should function, and believe it is the Boards duty to carry out all bylaws fairly, without bias or prejudice, to the best of our abilities.

As stewards of this beautiful property, we must give our best service. We are so blessed to have collective ownership of such a beautiful place, and only by stewarding it with care and focus on long term strategy can we preserve this place for future generations to come. It would be an honor and a privilege to serve our community in the spirit of fairness to all and aligning our collective efforts with the vision of long term stewardship of our wonderful property. To quote Jerry Maguire, your vote will "Help me help you!"

OTHER RELEVANT EXPERIENCES:

REASON FOR RUNNING:

I am a current incumbent on the Paradise Park Board of Directors having served as our At Large Board Member for 2018, and as Acting Secretary For 2019- 2020. I am seeking reelection to the Board to continue serving our membership and our corporation. Over the past two years I worked diligently with my fellow board members ensuring that Paradise Park continues to operate as a Masonic community whose members can work together to build strong and lasting relationships. I will look to continue building on that foundation to keep and make Paradise Park the special place that it is.

My family has been part of Paradise Park since 1942 and I have been part of the park since 1961. I have spent part of every year growing up in Paradise Park. I have since introduced my two children who are now the 4th generation of my family to experience and appreciate what the Paradise Park Masonic Club stands for.

WHAT DO YOU BELIEVE TO BE THE FUNCTION OF THE BOARD?

I believe the Board of Directors function is to serve in the best interests of the entire membership. Making Paradise Park a safe and well governed masonic club. As an acting Board member, I have learned in great detail what our long range strategies are and how to best implement our reserves to meet the needs of our community. Whether you are a member living full time in the park or a member who only visits on a part time basis, I will continue to act where all members of our association have a voice and where the best interests of every member is respected.

2020 CANDIDATE FOR THE PARADISE PARK MASONIC CLUB BOARD OF DIRECTORS

Name: Kurt Likins

Park Address: 561 King Solomon Drive

Residence Address: 120 Travis Lane, Watsonville, CA 95076

Masonic Affiliation: Confidence Lodge 110 Soquel, California

Personal History:

As a fourth generation Member, Paradise Park has always been an important part of my life. My great-grandfather became a Member in February of 1936, and built the cabin that we still have today. Paradise Park is also where I met my wife. I have been married to Melanie, daughter of Bob and Tiny Sand, for thirty years. Our son, Tyler, is finishing his Master's degree in Education from Vanderbilt University, and our daughter, Jenna, is working on her PhD in Ecosystem Science and Management at Texas A&M University. My father and father-in-law are both Past Presidents of the Board of Directors of Paradise Park, and I have also served as both President and Vice President in previous years.

Education: Santa Cruz High School, Cabrillo College, San Jose Police Academy.

Professional Experience:

I am a retired City of San Bruno Police Sergeant with 29 years of service to my credit. For nearly three years I was with the Sheriff's Office in San Benito County as a Deputy Sheriff / Coroner and then, for twenty-six years, I was with the City of San Bruno Police Department. My service included being a K-9 handler, Field Training Officer, Hostage Negotiator, Range Master, Detective, and Joint San Mateo County Gang Intelligence and Investigative Unit Detective. My last position was as Administrative Sergeant in charge of personnel and training. I also served as President of the San Bruno Police Association Board for two years.

Reason For Running:

I have served as both President and Vice President in previous years, and I am currently the Vice President of the Board of Directors, filling the void that was created when Bruce Wildenradt left the Board last year.

While I was serving on the Board we were able to finally get stakings completed in a timely manner and get the Reserve Fund and Study in our Bylaws and operational. We also fought hard to get changes to our Bylaws, which made it possible for us to get our finances back in order. The changes ultimately resulted in having very little money owed to the Park by members not paying their TADS. These were major concerns of the membership and I am proud to say we got them done.

I am running for the Board again because there are still things that I would like to see accomplished. Specifically, I believe the Park needs to increase its revenue as costs continue to rise and more people are living in the Park full time.

The current Pandemic has been hard on all of us and the Board is truly doing its best to care for the health and safety of the Membership. Social distancing and State ordered restrictions may go on for some time and we understand that they are difficult but they are in place for a reason. These are unprecedented times but we are working to get through them to see that the Park returns to normal as much and as soon as possible.

I have tried very hard to be accessible either by phone or email to members who have questions or concerns and if elected I will continue to be there for the membership.

Fraternally,
Kurt Likins

6.0 NEW BUSINESS

a) Explanation and review of the Nominating Committee given by Kurt Likins.

Board Members stating their choice for the committee.

President Joe- Craig Little

Vice President Kurt- Lynda Rogers

Secretary Mark—Helen Kuckens

CFO Verdie-Eddi Brown

Director at Large-TBD due to absence.

After the Committee has contact all members and has a list of candidates, they will then contact the Office and Annie will confirm they are in good standing.

b) 2020 Roster Information

Office secretary Annie explaining the need for a new type of Roster. The existing roster is very difficult keep updated because of the way it was created. The document was taken in the past to a printer for printing. Annie and the Office want to create a new Roster using Access software that is easily, affordably and quickly updated. It will, however, be different and possibly not as detailed. Many Members would prefer their information not be included and would prefer to "opt out". They would have the basic information such as Member name, and Park address but would have the option to not have any more information included. Member Sharon Simas stating that it is a law to have a roster, that all need to be included. Annie Clarifying that all Members would indeed be included by Name and park address but would also have the option to exclude additional information they would prefer not be in. Annie wanting the Roster to be updated whenever necessary, rather than once a year. Verdie also noting that the current format with the small Roster pages, is difficult to print in house. The new version would be on regular size paper 8.5x11.

Member Leigh Wunce wanting the roster to include an asterisk noting that the Member does not live in the improvement. Leigh believes it is important. Leigh still has neighbors that she cannot call because they are not listed in the Park roster. Leigh believes it doesn't help the community. Annie encouraging of knocking on the door in this instance to meet and greet your neighbor. Leigh also reminding all that this year, 2020, there will need to be a census done per the Bylaws. At this time all numbers and contacts will need to be updated. Manager Steve responding that members call into the office requesting their personal information be limited. Member Sharon Simas asking for Annie/Office to be trained on the Software. Sharon not in favor of the roster including less information, not more.

February Open Minutes (Cont.)

Manager Steve addressing the fact that the processes in the past were done alphabetically resulting in difficulty when members changed. Kurt encouraging of a new process that is easily updated. Believes that is the important part.

CFO Verdie adding that the goal is to have current information and get away from the process of the past.

President Joe informing all that Access is a Microsoft system that is extremely complicated. Joe has look at training classes and believes to be too advanced.

Member Pat McDonald requesting Annie bring a copy of the proposed roster for Members to look at.

Annie in favor of doing and will provide.

Members will need to notify office/Annie if they do not want their information included/Opting out.

c) Date for the Bridge Clean up-

Manager Steve suggesting this be tabled until he can meet with Cyndy Crogan and individuals that signed up to help.

Jim Barbera-Question- Regarding Cell towers in the Park. In the past this has been looked at but was dropped. Manager Steve reporting that the cell tower company opted to place towers in Felton.

Member Gary Lea reporting on new technology regarding cell coverage. PPMC would have to invite companies in to explain and investigate if it was an option. Verizon, AT&T etc.
