**Greetings and Merry Christmas!**

What a wonderful gift we  
shared on Dec 8th...

SNOW...about 3 inches of  
glistening beauty!

We hope you enjoyed it as  
much as we did. 😊

As we go about the Christmas season of giving gifts for those we Love, let us remember to give gifts to ourselves as well. Give yourself the gift of Love... so that you feel the desire to explore more of who you are, the gift of Freedom so that you feel free to express who you are, and the gift of Openness... so that you become aware of new possibilities and potentials that surround you. Then embrace the New expansive YOU!

**Congratulations to Rosemary: New Master Practitioner**

We are delighted to announce Rosemary Slade as our first Master Practitioner for Now~Living Potentials. Rosemary can assist you in your self-healing process of re-connecting, transcending, and creating your life in a new and conscious way. She can also assist you in discovering your Ancestral, Soul, &/or Galactic Families through her multi-talented artistic abilities.

ONE-TLC provides Education and Facilitation for Your journey of self-healing and Mastery. We assist you in discovering for yourself WHO, WHAT, & WHY you are... and What's next according to the Divine Plan you previously chose for your life.

*"No matter what you think you are, You are always more than that."*

## Message of the Month

*The following is a message received by David from one of our  
etheric guests at a previous ONE-TLC Board Meeting:*

Another Deeper Understanding: by Kaleidoscope

I AM fully aware of your understandings of the String Theory and the “M” Theory which are an honest attempt at understanding the complexities of your realities. However, your models of reality will be similar to believing that all energy growth and sustenance comes from your Sun in the solar system when you now know that there are other suns with which your sun revolves, and of course there is the Great Central Sun for your singular universe which also obtains its energy from another source. Therefore, the depth with which you understand realities is merely a piece of a fractal of a greater segment falling into place, just like the chips of colored glass in a kaleidoscope. Now, there are Beings responsible for the turning of the kaleidoscope to ascertain greater harmony and deeper experiences of All-That-Is possible. These Beings are similar to the “Golden Boys” at the wall as discovered by your remote viewers. Please still continue to question your reality which will lead to discoveries of non-physical dimensional realities that also have a vast difference of structure and expression. We like your new coined word of “MultiONES” as a broader understanding of how the multiverse is not alone. Continue to discover... we are at your beck and call.
