

Dear Friends,

Martha and I were led by the Spirit to dedicate Stark Farms to God, our families and our Country. God, Family, Country: three things we would like to keep alive in America.

GOD

We dedicated Stark Farms to serving our God and our Lord Jesus Christ with belief in the Father and the Son as witnessed, worshipped and written about the pioneering men and women of Colonial times.

Most early settlers in America fled their homelands for religious freedom in order to practice their faith and secure their independence from tyranny and oppression. These brave men and women from across this new land risked it all by revolution (liberty or death) to collectively birth a new nation for life, liberty and the pursuit of happiness for their families. Stark Farms exists by the grace of God to help plant new seeds for God, Family and Country. In a way, Stark Farms is "back to the future." And back in time, we went!

FAMILY

Stark Farms is a true tribute to Family and is dedicated to the memory of the Stark family of New Hampshire. Much has been written about the Starks in New Hampshire history but can now be experienced firsthand at Stark Farms. ([Read the Origins blog post](#) for more on Stark history)

The strength of the colonial Stark family reminds us of how precious and necessary families are to today's society. At Stark Farms, family is the reason for being.

COUNTRY

And lastly, Stark Farms honors the men and women who respect the heritage and pedigree of our Country. The Barn at Stark Farms reminds us of our Judeo Christian beginnings and underpinnings established during revolution. The barn takes us back to times of personal sacrifice, patriotism and a new national pride in our Republic.

God, Family, Country comes alive at Stark Farms. We can feel the ambiance in the Barn. The Pastors from our church feel God's presence, our family escapes the busyness of their businesses and crowded schedules, and we salute the men and women who believe in our sovereign nation and America's rightful place in this world

Truly,

John and Martha Zumwalt
