Transportation Services

Welcome to Valley Community Services Board (VCSB). Our mission is to provide a comprehensive array of mental health and substance abuse services within the Counties of Augusta and Highland and the cities of Staunton and Waynesboro.

Community Options

Our Transportation Department believes in treatment, therapy and support. In order for treatment to be successful, you have to be able to get to your appointment. There are many transportation resources that many people do not know about. Here are some of the transportation options that may be available to you!

- Family, Friends, Car Pool
- Brite Bus - 540 943-9302
- CATS Bus– Coordinated Area Transport Services– Call for Pick-Up at:
1-800-305-0077
- Staunton Trolley System– stops conveniently placed all over the community!
- Logisticare– Call your insurance provider to see if you are a candidate (Medicaid, VA Premier, etc.)

If all of these options are not possible, then your service provider can refer you to our services.

Qualifying for Services

We have a fixed number of cars and drivers to provide transportation. The first criteria is that you are receiving therapeutic services with Valley CSB. The second is that all other options (left) have been explored and found not to be possible options for you.

Scheduling

Your Valley CSB service provider (nurse, therapist, case manager, etc.) can refer you to be scheduled. We will work with your services provider and you on scheduling and coordinating.

Cancellations

We require to be notified at least one hour before pickup of any cancellations.
