

YOUR CHILD IS READY FOR PLAYGROUP... ARE YOU?

Please expect the following:

- Bumps & Bruises
- Grazes & Cuts
- Trips & Falls

Every effort is made to ensure your child is happy and safe at The Community Playgroups, however; due to the nature of children's play, please be aware that accidents may and will happen. There are paediatric first aiders on the premises at all times, and all accidents are entered into the accident book - which must be signed by a Parent or Carer upon collection of your child. The person who witnesses the accident will inform you of the details on the day the accident occurs, and where accidents are not witnessed, but we notice an injury on a child, the child's key person will inform you of the injury at the end of the session.

In the case of injuries which are slightly more severe than those listed above, you will receive a call from the playgroup to inform you of the accident, and the Sick Child Policy and Procedure will be followed.

Please ensure that your child is dressed appropriately for outside play!
