

Rice Family Dentistry^{LLC}

810 Main Street, Winfield, KS 67156 620 • 221 • 7737

For the safety of our patients, your families and our community, effective March 19, Rice Family Dentistry will be canceling all elective procedures per the ADA and KDA.

Elective treatment includes: cleanings, fillings, bridges, crowns and other non-urgent procedures. These guidelines are ever changing and we will keep everyone posted as guidelines change. We will still be available for emergency visits for patients experiencing pain and/or swelling.

Please follow federal and state guidelines and stay home, wash hands, practice social distancing. We will see you soon! Stay safe and healthy!
