CHINESE

An Authentic Program for PreK to Adults

Our Chinese program provides students with a fresh, modern Chinese learning experience. It introduces them to practical, everyday Chinese communication through real-life scenarios. Our program focuses on developing their understanding, fluency and confidence in speaking, listening, pronunciation, vocabulary, reading and writing for everyday use.

COURSE TYPES:

- **Comprehensive Chinese:** Focuses on the 4 building blocks of language learning
- **Conversational Chinese:** Real-life conversational skills giving you the confidence to speak better in Chinese
- **Test Preparation:** We can help you prepare for your school and/or workplace tests
- **Camps:** A great way to learn Chinese during the Winter, Spring, or Summer Breaks
