CGWE All Purpose is made from natural and environmentally safe ingredients. It contains renewable plant extracts, biodegradable natural oils and is 100% eco-friendly. This liquid concentrate is non-toxic and contains no bleach, phosphates, chlorinated solvents, nitrates, animal fats, ammonia, borates or formaldehyde. This means it's good for you, good for your clients, safe on surfaces and the environment.

APPLICATIONS & DIRECTIONS FOR USE

Spray & Wipe:

Effectively cleans to a streak free and antibacterial finish. Simply spray on surface and wipe with a clean lint free-or microfiber cloth for a streak free finish. For more stubborn marks, leave to soaking before wiping.

IMPORTANT

1. Avoid contact with eyes as can cause irritation and avoid prolonged contact with skin. Wash hands directly after use. If this product accidentally gets into eyes, rinse cautiously with water for several minutes. Remove contact lenses if present. If eye irritation persists or is accidentally swallowed please seek medical advice.
2. Always pre-test in an inconspicuous area to ensure suitability before using any product.
3. Do not mix with any other chemicals.

CGWE All Purpose is a multipurpose cleaner. This exceptional product will clean and Shine just about anything!
