ABSENCES

Attendance is crucial to team success. Vacations and/or absences may result in athlete being replaced on their team. If your child will be out for any practice during the summer months only, please fill out a vacation form and turn it in to the front desk. All team members must hand in their summer vacation request forms 3 weeks into summer. If a notice is not handed in, that child may lose their competition spot and will sit out a practice for a day. All vacation slips, for the entire season, must be turned in prior to August 1st, 2018. After, August 1st 2018, a participant will only be excused for graded school activities or severe illness with a doctor's note. If you are requesting an excuse for a school activity, you must provide a flyer from the school along with the teachers signature, 2 weeks prior to the event.

Withholding your child from practice CANNOT be used as a form of discipline. This is unfair to the rest of the team. **Vacations are not permitted during competition season**, unless the gym is closed and the athlete has already cleared it with their coaches. Punctuality is a MUST. Arrive 10 minutes early to all practices, competitions, and functions.

EXCUSED ABSENCES: Contagious Illness with Dr. Note / Family Emergencies / School function that affects grade—a 2 week notice with school flyer must be given along with teachers signature.

Choreography dates are mandatory, no exceptions! Athletes who are not in attendance will not be choreographed into the routine and may be removed from the program at the discretion of the owner.

If you take the summer off, have a late start, or enroll in the middle of the 2018-2019 cheer season, you will be placed as an alternate until a spot is needed. **Summertime is an important time to learn new skills!**

Competitions—During each competitive season there will be a number of competitions that Corona Stars Cheer will plan on attending. This list will be handed out as soon as it is confirmed. Each team member that is going to a competition must have competitive fees paid before the deadlines. These deposits are due regardless of child's attendance to any of the competitions. All athletes will have deadlines for cheer routines it's important they know the material. We perform as a team so it's important that we are prepared for competition. Coaches will evaluate athletes on these deadlines. If they do not know the required material coaches reserve the right to, move, replace, or even suspend an athlete until the material is at the level of their team members. A discount or refund will not be issued due to quitting, injury, illness, vacation, camps, schedule conflicts, removal from the team, merging of teams, or any other reason. **No practice can be missed TWO weeks prior to any competition. You will be charged a \$100 fee, and could result in athlete being removed from the routine and not competing. If any athlete doesn't compete at a competition, no matter the reason, they must pay an additional \$200 Competition Charge.**

Flyer Class—This is a mandatory class for athletes who are flying in any stunt or will be anticipated as being flyers for the season, at the discretion of the coach. You are welcome to attend the class if you would like to learn how to fly.

FUNDRAISING

At Corona Stars cheer, we strive to make our program as affordable as possible. Our main method of obtaining this goal is offering fundraising opportunities. **All fundraisers require a Fundraising Approval Form.** This form is available at the front desk and website. The CSC gym will host one or two mandatory fundraisers a season. All athletes will be required to participate.

PRACTICES

There is a viewing area designated for all parents/friends. Parents/friends are asked to stay in that designated area and not come into the gym. We want your child to get the most of every practice. In order for this to happen, we need their full attention. Therefore distractions must be minimized at all costs.

Coaches/Director reserves the right to close practices or the gym at any time.

Practice schedules can change. If we feel the team needs more practice to ensure their readiness, we may call an extra practice. We will add practices before competitions. We will inform you as soon as possible about such changes.

Your opinion regarding practice and routine construction does not count. The staff makes all of the decisions. Athlete's may be moved from one position to another, or one team to another at the discretion of the coaches.

CSC coaches reserve the right to cancel practice or competitions when excessive absences by any athlete(s) of the team negatively impact team practices and/ or performances. Paid fees for cancelled practices and or competitions will not be refunded for any reason. I understand that if my child gets injured, they are required to attend all regular team practices to observe those practices.

TRANSPORTATION/TRAVEL

All transportation/accommodations to competitions, practices, and other events are the sole responsibility of each family. We will make every effort to provide information in a timely manner. However, if a competition/practice is cancelled or rescheduled, CSC will not be responsible for reimbursement for any reason. Make arrangements for your child to participate in the entire competition if you, (parent) are unable to stay for the entire competition. During the competition season, cheerleaders will be asked to travel. Some athletes will travel to national events out of the state. All team members are required to wear their warm-ups or CSC all-star clothing to each function. All team members will stay together with the coaches and follow travel regulations.

UNIFORMS/ATTIRE

Please keep all CSC clothing, Warm-Ups and Uniform in good condition. Please report any lost/damaged uniform items to the front desk. The cost of replacement will be responsibility of the athlete.

In compliance with uniform lines, all undergarments should not be visible. Options include; clear bra straps, adhesive, etc. If standards are not met, athletes will not be permitted to move forward with call time procedures.

Although we appreciate your Corona Stars Cheer pride, you CANNOT create and/or sell your own CSC clothing or accessories of any kind. That includes anything showcasing the CSC Logo/name.

Corona Stars Cheer retains the rights to place its athletes on the team it feels will best suit them and the program. If an athlete has the option and decides to cross over (be on multiple teams), perform a solo, duet, or trio, they must be willing and able to learn all material by deadlines for both teams and fulfill all responsibilities required by each team. All cross over athletes are responsible for any additional comp fees, private, and / or items that are needed for teams they are on. The athlete may purchase a second uniform from our office.

Practice attire and guidelines are mandatory. If the athlete(s) are not in appropriate attire, the Coaches have the right to not allow them into practice due to safety.

No jewelry, etc. (We ask that athletes do not bring jewelry to practice) This means no necklaces, bracelets, rings, etc. All earrings, nose rings, tongue rings, any face piercings, belly button rings need to be removed. It is preferred that all piercings are removed to due safety concerns. No tattoos or inappropriately dyed hair styles should be visible when wearing Corona Stars Cheer apparel.

Practice attire includes; appropriate cheer shoes, hair securely pulled back away from the face in a high ponytail or bun to ensure safety during stunting and tumbling, and appropriate specified practice wear.

At no time will CSC allow artificial nails. If the athlete has artificial nails they will not be allowed to practice until removed. Athlete will risk being pulled from competition due to missed practices. Artificial nails are safety issues and no exceptions will be made. Additionally, all nails must be kept shorter than finger tip.

I acknowledge that if my child shows up to a scheduled practice without the appropriate practice attire, I will be charged, to provide your child with the appropriate practice attire on that day.

Outside shoes must be removed in stretching area and placed inside gym bag.

Only specific cheer shoes are allowed on flexi roll mats / spring floor. It is important to have proper shoes for stunting and tumbling.

COMMUNICATIONS

We are open to discussing the progress of your athlete at appropriate and applicable times. Please feel free to ask athlete specific questions; coaches are happy to clarify anything that causes question or concern by email.

We are committed to the success of your athlete at CSC and will continue to give the best customer service to our CSC Clients.

Please refrain from texting or calling the staff outside of gym-time. We appreciate the commitment of our coaches and staff but want to be sure they also have their own personal time as well.

Please use the chain of command below for the following:
