Last Week's Run Report

**Run No; 696 Hare; Rusty for Committee
Location**

Morning ...

Run Report reporting for duty !!!

Were We Given The Run Around ? (or Come Into My Telephone Box)

The pack gathered at an exclusive Kardinya venue conveniently located near long dark alley's. There was a phone box in case we needed to make a call or use it as a ledge for beverage ! (Or have a quick change Superman style !)

The Hare , the trusty Rusty, made it clear that all levels of fitness were catered for with 3 levels of trail. One runners, one fast walkers and one slack bastards...

Of course, the latter was fairly popular and we all seemed to disappear into the dark... that is until we had to cross 6 lanes of busy roads in bright light ! (No Hasher was hurt in the process)

Now, apparently, there was a drink stop with sherryl !!! but as some walkers realised they were doing a lot of false trails and would end up back hours later, it was missed by some... Others enjoyed the refreshment spot ... Everyone came back after about an hour with red sweaty faces for some of the runners and this is when the dark alley's came into their own. We were directed into the gloom so no-one could see/hear us.

The run was voted quite good and the circle was quite amusing with the RA flinging charges left,right and centre. As we had a virgin in the mix, there was a welcoming Down - Down with assistance from friend (?) Dirty Deeds. There were the usual suspects for jokes/true stories and the circle concluded with a better than normal rendition of our song !

Then it was on for a feed of Chinese AND WHAT A FEED ! My goodness, just as you thought you had all dishes on the table, more appeared... I think everyone groaned their way home Good choice Committee !

Till next week
