

## Welcome to **D.A.G.** of the Carolinas

Our mission is to shine a light on dyslexia. We educate and provide supportive services for parents, guardians, and educators of dyslexic students. We work to identify dyslexic students and help them obtain the tutoring and remediation services needed for success both in and outside the classroom. Dyslexia advocacy Group's primary goal is the well being of students with dyslexia. We want them to understand their many gifts and talents. By teaching them to embrace dyslexia we open the doors to self discovery as well as give them the lifelong gift of a positive self awareness
