SUMMER MONTHS GUARANTEE

Families are eligible for a full 100% refund of all payments for the fall program if:

Chavitos cancels any programs due to the COVID-19 pandemic.*

Families are adversely impacted by COVID-19 (job loss, illness, caring for sick family members, etc.) and must cancel their registration.**

*This applies in full up to the start of the program on September 1, 2020, and will be prorated after that for days attended. If you utilize our monthly payment option, you will be prorated for the current month.

**Please understand that Chavitos is experiencing significant financial impact from COVID-19. While we want to support all our families, the intention of this policy is to help those who are adversely impacted. If you need to cancel your fall enrollment for any other reason, normal cancellation fees apply. See details in the Parent Handbook.
