INFORMATION REGARDING WALK IN COUNSELLING CLINICS

Dear Community Partner,

PARTNERS Family Services prioritizes the health and wellness of its staff, clients and community partners. In response to the COVID-19 pandemic, the organization has enacted its pandemic response protocol. Out of an abundance of caution, we have made some temporary changes to our Walk In Counselling Clinics. Please take note of the following changes to services:

- Walk In Counselling Clinics are temporarily suspended at all sites that are located in health care facilities. This includes the following locations:
 - Cudworth
 - Wakaw
 - Wadena
 - Wynyard
- Walk in counselling will instead be available Monday to Friday from 9am to 4pm at our Humboldt office location at 231B Main St Humboldt, SK
- Individuals who are unable to attend at the Humboldt office in person for services may access counselling by phone Monday to Friday 9am to 4pm by calling 306-682-4135. Services over the phone are the same as what an individual could access if they attended in person

We thank you for your understanding during this time of rapid change, and are committed to keeping you informed of any changes or restrictions to service. We will continue to update our clients, partners and the general public through our social media accounts and on our website at www.partnersfamilyservices.ca Please do not hesitate to contact me via the contact information listed below if you have any questions, require additional information, or if we can support you in your own response to this pandemic.

Take care,

Hayley Kennedy
