

Testimonials

"Heather's knowledge about Autism is astounding. Her caring and professional manner were much needed and appreciated"

Mrs. Justin
Parent

"We cannot say enough about Heather for giving our son a new lease on life. We finally found someone who could relate to our needs and have moved forward toward a healthy, positive future."

A. Richardson
Parent

"I have the utmost confidence in Heather's skills, compassion and dedication... no one's knowledge and expertise is greater than Heather's. She is a pioneer in the field of special needs."

Wendy Reid-Purcell
Special Education Consultant
Halton Catholic District
School Board

Heather has excellent knowledge and understanding of ADHD and Aspergers. Her approach is caring, calm and patient. She has connected with our son to keep him engaged and interested. He looks forward to her visits and trusts her. We feel very fortunate to have met Heather.
