Camp Cost: \$ _____

The cost for an average week of camp far exceeds the registration fee we have set. It is the desire of the Ketchen Lake Bible Camp Board to offer a week of camp at a fee that is manageable to the majority of campers. We do understand that the regular camper fees are still difficult for some families to meet. We desire to see all kids have the opportunity to attend Ketchen Lake Bible Camp and for this reason we have reached out to our camp supporters and asked them to contribute to a camper sponsorship fund. This fund allows us to have kids attend camp that otherwise may not have been able to. We would like to see as many kids attend camp as possible so we ask that you give as much as you are able to your child's camp fees. This will allow us to offer sponsorship to other deserving kids as well.
