Columbus Division of Police

To Whom It May Concern:

It is my pleasure to recommend John Hurt as a valuable candidate for employment with your organization.

I have known John for the last 8 years as members of the Columbus Division of Police. We worked together during Ohio State Football games and would manage inbound and outbound traffic and also manage the large crowds before and after the games. During my time working with John, he not only served as a supervisor, but also as a mentor. John welcomed me to his unit and showed me how to effectively do the job, and also accomplish the overall mission.

I can say with confidence from working around John, that he was and still is a well respected member within the Division of Police. John encompasses the Division's Core Values (Professionalism, Respect, Integrity, Discipline, and Enthusiasm). John worked for the Division of Police for 27 years and worked as an investigator for approximately 14 years. John has a tremendous amount of investigative experience that served the citizens of Columbus and also the Division of Police for many years. There is no doubt that he would be a tremendous asset to your organization.

If I can be of any other assistance on John's behalf, please call me at (614) 783-1702, or email me at mdenner@columbuspolice.org.

Respectfully submitted,

L.T. Mark A. Denner #5085 L4C.
