

## 2019-2020 PTO Committees

Below you will find a list of the PTO Committees that are in place to make the 2019-2020 school year an exciting, fun, and family focused year. Some of these committees are also how the PTO is able to raise funds needed to provide the students with such awesome things as field trips, assemblies, recess items, team t-shirts and more!

Please take a look at all the committees listed below, and consider joining one! The basic overview of the committee chair is listed below, as well as the time frame and board contact/co-chair. If being the committee chair seems like too much for you at this time, please consider just joining a committee (or two) as a member. Feel free to contact a board member if you have any specific questions regarding a committee, as we have more detailed information for each committee listed below.
