

Little Poppet's Pre-School

No Smoking Policy

Aim:

Children's health and wellbeing is of the utmost importance for the children in our care. Smoking is a health risk and therefore, we strive to protect all children, staff and visitors from the effects of passive smoking.

Objectives:

The pre-school operates a strict no smoking policy within its buildings and grounds. It is illegal to smoke in enclosed places (effective in Scotland, Wales and England).

Parents are respectfully required to abstain from smoking whilst on the premises or within the pre-school grounds. This rule also applies to staff, students, carers and visitors etc.
