Presidential Ponderings

Bill Canaday - President

Fellow Ring 16 Members: I hope you and your family had a great Memorial Day. To our members and their families who have served our country, a sincere Thank-you for your service. Since our May meeting, we have had two great lectures, Mark Strivings, and a great workshop from him; and also, Alain Nu. Both of these gentlemen were a pleasure to talk with, and each gave us great ideas, thoughts, and routines. Thankfully they could include us on their current busy schedule. And as always, thanks to everyone that came out for these events. Looking forward to our June meeting, and it is hard to believe that our July meeting is around the corner, which is our Annual Auction, so keep this great event in mind, as it will be here soon. See you next week.
