

Policy #2/2010 – Claims for Damage to Non-RM Vehicles

Purpose: To establish a policy respecting claims submitted for damage from gravel or pit run to non-RM vehicles.

The Rural Municipality of Moose Creek No.33 accepts no responsibility for any damage incurred on the RM roads from gravel or pit run. It is the driver's responsibility to take care, and drive at an appropriate speed for road conditions. As such any claims for reimbursement of the cost of damage incurred from gravel or pit run shall be denied by council.
