We are given many scriptures on healing. It is God's will that we are healed. The job of teachers and preachers is to train the body of Christ so that we can do the work of the ministry (Eph. 4:11-16). Would you like to see the blind receive their sight or the lame walk when you pray? Do you need healing yourself? Let's trust God.

1. If you want to be healed, you must believe "you will do greater work". John 14:12 (KJV), Matthew 9:35 (KJV)

Jesus went about all cities. We must go to different cities and villages.

- a. We must go first teaching - Matt 28:18-20 (KJV)
- b. We must go second preaching - Rom 10:13-15 (AMP, MSG)
- c. We must go thirdly healing – Matt 9:35 (KJV), Matt 10:1 (KJV)

2. If you want to experience healing, you must start with the knowledge. Rom 12:2 (NIV), 2 Peter 1:3-4 (NIV)

3. If you want to experience healing, you must resist voices opposing God's will – James 4:7 (KJV)
