INTEGRITY

SLA STUDENTS SHOW INTEGRITY THROUGHOUT THE COMMUNITY

St. Lawrence students were given a plethora of opportunities to model this month's Character Trait. Whether it was during our Reading Buddies excursions, PA Sports Camp day, Jump Into JK mornings, Field Trips to the Museum and Spencerville Water Festival, or just on the playground during regular play, this month's character trait was on display amongst all of our students. We learnt this month during our Monday Morning Motivators that true integrity was shown when no one was looking, that integrity was something that we naturally displayed – if we did indeed have it. Over and over again this month, we caught moments that made us proud. Moments when students stepped back to allow another student a turn, or when older students modelled leadership and maturity to take another younger child under their wing. May was a HUGE month for SLA to become an active and visible part of our Leeds-Grenville Community and we truly did 'leave our mark'. We are so proud of all of you!

SLA Represented at Prescott Trade Show

St. Lawrence Academy Spent Friday and Saturday, May 2nd and 3rd, at the Leo Boivin Centre in Prescott spreading the word that other education options are available to everyone! Students joined Mrs. Joannis on Saturday and were a big draw looking spiffy and impressive in their school uniforms.

PD Day brings 17 new visitors!

SLA PD Day was very successful with seven new families and three newly enrolled families getting a closer look at what makes the St. Lawrence Academy special. Being open to the Public and Catholic Boards on their PD Days is a new concept that seemed very well received and definitely well attended booking up within 2 days. This is definitely a new concept we will explore further in 2014-2015.

Spring Fling Hits Well Beyond Mark

Spring Fling organizers worked hard this March, April and May to welcome a new season of warmth to our frozen town. After such a hard and long winter – it was a real treat to be surrounded by the greenery and new life at our Annual Spring Fling extravaganza. Congratulations to Natasha Avis, Heather Bishop, Lisa Purvis, Leslie Fournier, Rhona Taylor and Lynda Joannis for all of your hard work in what ultimately turned out to be a VERY successful fundraiser. Raising over \$5,000.00 more than our goal, it was an exhilarating evening. Newcomers were thrilled to be a part of the event and Alumni who were in attendance were on fire with excitement for the future of SLA. If you missed this year, preparations have already begun so keep your ears open for next year's information and mark it on your calendars right away so that you can be a part of this wonderful event.

3 new registrants in May.. The Best is Yet to come!

COMING IN JUNE:

ANNUAL GENERAL MEETING – JUNE 10
