ONE-TLC

Oneness-Now-Energy ~ Transformational-Light-Center
"Experientially Awakening to the Truth of Your Divinity"
www.thecarmineconnection.com

Our Love, Light, and Compassion go out to ALL ONE-TLC Friends and Family, as we have all been affected in one way or another by the aftermath of Earth's cleansing and Ascension process.

September has indeed brought strong examples of Mother Earth's ability to heal itself through Tornadoes, Hurricanes, Earthquakes, and Fires sending a clear Message that 'change' is upon us.

How will we individually and collectively handle 'change'?

To the 'Human eye' these recent events have left a devastating trail of destruction bringing up feelings of confusion, despair and disbelief.

If we look with the 'Spirit eye' we would see these recent events as an inner cleansing that provides an opportunity to begin again with 'new' thoughts, feelings, beliefs, and actions.

We can take comfort in knowing that Our Spirit is always guiding us towards our individual Higher path of evolution and expansion that embraces the Highest Good of ALL.

Will we respond to 'change' by looking deeper within ourselves to discover: Who, What & Why we are here... or will we continue to follow the same out-dated programs that will lead to the same results? What if renewed clarity and insight could assist us in ***moving beyond*** the 'old' into the 'new'?

For ONE-TLC this 'change' began immediately after our Twelve Ray Ceremony in July. As we allowed new levels of energy to be integrated we Realized that It was time for a broader level of understanding and application of our purpose and mission here.

ONE-TLC continues to provide a safe place for **those that are ready** to Discover the Truth of Their Divinity. We have now added the opportunity to receive further Transformational Expansion through the Twelve Rays of Light as their Masters are willing to assist in opening and establishing communication with Your Galactic Soul Families.

"No matter what you think you are, You are always more than that."

Message of the Month

At the beginning of our ONE-TLC Board Meetings, an informative message is usually channeled from an Intergalactic Ascended Master. (I AM's) This is a segment of the last one:

*"Often there is a way to know more and BE more in an expansive state. When one is open... one can receive all sorts of information. One must be discerning and one must learn to ask key questions and look at the other clues around to check the entirety of the story."
(Channeled by Rosemary from Kuthumi)*
