- *****

THE BRIGHT SPOT: Don't give up until you are proud

STUDENT OF THE WEEK: OLIVIA DOWELL (GRADE 7)

What kind of music do you like to listen to? Country **My favorite smell is: Anything Floral**

Where do you like to shop? Target

Three words that describe me are: WEIRD, NICE, FUNNY

I'm proud to announce Olivia Dowell as the Bucket-Filler of the Week! Olivia has demonstrated very good student skills on her work. She takes her time and does careful work. She stays engaged during instructions and makes sure she understands her directions. She's good to seek help when she needs it and always turns her work in on time. She shows kindness to others and respect to teachers. It's true! She did knock Mr. Ewing's coffee over once, but it was just a lucky shot. Keep up the good work, Olivia (except for the coffee)! -Mr. Ewing

BELLS & WHISTLES: To the students in 2nd-8th for their hard work on the Stanford tests. Thank you to the staff who have helped to make these testing days run smoothly. - Mrs. Warmbrodt

Preschool: I hope you all enjoyed your 3-day weekend! It flew by really fast! This week we will talk about the letter "C" and its different sounds! We are going to test out scissors and glue this week. We always start with our safety rules! We have a lot of fun things going on in October! On Tuesday, October 8th, we will go to the A.C. Fire Station. If you are able to drive, please let me know. We will dismiss from there at 10:50 a.m. Please watch your child's backpack for important information! Have a great start to October! Thank you! -Miss Stacie

Kind/1st: I hope everyone had a great 3-day weekend! This week we will be talking about our senses and learning how to describe using them. In Kindergarten we are working on patterns and in First Grade we are working on adding doubles and number sentences. We are still working on our books. We are almost finished with illustrations! Have a great week! -Mrs. Schenker

"Go as far as you can see; when you get there, you'll be able to see farther." -Thomas Carlyle

2nd/3rd: 1) We have a spelling quiz on Friday. We have a test in math next Tuesday! 2) We'll be working on animals this week in science! In history, we're working on our communities, so keep an eye out for our community posters! Our in class project on that will be due on Friday. In Math, we're working on fractions. 3) We're collecting pop tabs. Check out the website for school events coming up! -Miss Ettlin

4th/5th: Congratulations to Collin Campbell on his winning Granny Smith Essay Contest entry at the A.C. Apple Festival! In Science, 4th graders will start a new chapter on ecosystems and 5th grade will begin a new unit on cells. In Social Studies, 4th graders will have a test over Ch. 8 on Thursday and 5th graders will start reading about the causes of the Revolutionary War. Both grades will complete STAR testing on Wed. AR Book requirements are due on Oct. 16th. Passing these tests does count towards each students' reading grade. Have a great week! -Ms. Mott

6th/7th/8th: As we begin our push through the second half of the quarter, we will be changing up topics in science. We will be covering characteristics of weather and characteristics and interactions of light and sound waves. In social studies, sixth graders are studying early European exploration. Seventh grade is studying early civilizations of China and the Indus valley. Eighth grade is studying the beginnings and cultures of the 13 original colonies. Students are currently working on their Patriot's Pen essays. If anybody has any, I could still use a couple of shoeboxes for an upcoming project.

Tests this week: Tuesday: 6-8 math and 6-8 social studies. -Mr. Ewing

DID YOU KNOW? You can access our new school website at www.hudsonelementaryschool.org and our Facebook page at **Hudson R-IX Elementary School**

MUSIC: Awesome job with the program, kiddos! We are going to review the recorder before we start our Christmas program songs. -Miss Stacie

CHARACTER ED: We showed great PRIDE in ourselves last week at our program. I am proud of all the students. -Miss Stacie

OCTOBER CHARACTER ED WORD: CAMARADERIE

NURSE TIP: An advisory has been released by the Surgeon General on marijuana use and its effect on the brain, please take time to read this important information. It is well worth your time to read!

<https://www.hhs.gov/surgeongeneral/reports-and-publications/addiction-and-substance-misuse/advisory-on-marijuana-use-and/brain/index.html>

BOX TOPS: The Box Tops program has gone digital. The new process is to download an App on your smart phone and enter our school. When you buy an eligible product, you can scan your receipt and the money goes to our Box Top account in real time. It is much easier than clipping box tops! During this transition period, some items will still have physical Box Tops that need to be clipped and sent to the school.

CONGRATS: To Kaylee Mott who is the winner of the \$100.00 School Store golden ticket!

THANK YOU: Kayla and the Bates County Health Center for the goodie bags they gave students last week.

RED RIBBON dress up days:

Monday, October 28th- Head to toe, I'm drug free (wear crazy hats, hair and socks)

Tuesday, October 29th - Take pride in being drug free (Patriotic attire -wear red, white, blue)

Wednesday, October 30th - Drugs are a flop (wear flip flops)

Thursday, October 31st - Spook out drugs (wear Halloween costumes)

Friday, November 1st - Wake up drug free (wear pajamas)
