

JCK Summer 2020 Health & Safety Protocols:

- Our staff will complete health and safety and first aid training prior to the start of camp.
- All sites and staff will be provided with thermometer, sanitizer, wipes, and cleaning products for daily cleaning of common areas.

Our staff will be making every effort to comply with the protocols outlined in the Ministry of Health Covid-19 Guidance for Summer Day Camps Document. (Version 1 - June 1, 2020)

Our policies include, but are not limited to:

Cleaning & disinfecting frequently touched surfaces

Performing and promoting frequent, proper hand hygiene (including supervising or assisting camp participants with hand hygiene).

Encouraging where possible, physical distancing of at least 2 metres between participants.

Operating programs in groups of no more than 5 participants.

Face coverings utilized where necessary

Minimizing personal belongings brought to camp - and items brought to camp like water bottles, sunscreen, towels and food will be labeled and kept in an area designated for the camper group only.

Sunscreen will not be shared.

No water or sensory tables. Sprinklers may be used for water play.

No sharing of meals/snacks. Proper hand hygiene before/after mealtime.

Pick up and drop off of camp participants will happen outside.

Campers will be screened including daily temperature checks at home and upon arrival to program. Individuals who have any symptoms outlined in the COVID-19 Reference Document for Symptoms will not be permitted to attend camp.

Campers who begin to show symptoms of COVID-19 while at camp will need to be picked up immediately.
