

...thank you letters from the SMA Missions

December 21, 2021

Dear Mabel and Pastor and Parishioners of Sacred Heart Parish,

We received your generous of \$5000 donation to the Ganta Rehab on the 10th of August, 2021 sent by our good Friend Theresa Hicks. This donation meant a lot to us (patients). We feel so lucky to have you as our good Samaritans, who do consider the vulnerable and the marginalized people like our own people here. Apart from the admitted patients the fund was also used to the X-Patients who don't have anywhere to go after they are discharged from the hospital, as some of them are not accepted by their families after their treatment due the discrimination. In these cases many discharged patients tend to remain in villages around the hospital of which the responsibilities still remain with the hospital. So part of the \$5,000 you donated was used in renting houses for them and supporting by giving them food, contribution to schools for their children, renovating their rented houses, as it will be seen in the report of which I will be sending to Theresa soon after the New year season.

On behalf of the Ganta Rehab I say thank you once again to you people of God. Your generosity is very useful to us for serving these our neglected people. Your donation is very prized and will forever be held in very high regard in our memory. We really cannot thank you enough but the only thing we can do is to place you all and your families in God's hands who will know how to reward you for your kind constant support to this Center..

Sincerely,

Sr. Irene
