

Greetings!

May I be the first to welcome you to our city, our province, and to some-our country.

As the Fire Marshal for the Province of New Brunswick, it brings me great pride to welcome the Red Knights 2021 International Convention to Saint John, New Brunswick. I implore you to explore and enjoy the sights, experiences, and rides this province has to offer-whether it's to Grand Manan and the Islands, up the Acadian Coast, or the beautiful Saint John River Valley.

I'm honoured to speak to you-as firefighters, as motorcycle enthusiasts, and as new friends. I hope you all make the best of your time in our Region-I look forward to connecting with many of you in the days to come.

On behalf of our Province, and our Fire Service-Welcome, et Bienvenu.

Michael Lewis

New Brunswick Fire Marshal
