## Beach Blast Off 2015

Beach Blast Off 2015 was not an event to be missed. The Saint Augustine Beach Pier Pavilion and parking lot was taken over by the biggest family-friendly event that the city of St. Augustine Beach has to offer. Following in the footsteps of former coordinator Michael Cunningham, this year's event coordinator Nico Recore (founder of the Downtown Bazaar) pulled it all together in just a few short months with the help of her assistant Michelle Landing.

Although New Year's Eve was a cold and relentlessly windy day, the event went off without a hitch. The food vendors were served up hot food to patrons as fast as they could grill the chicken, fry the funnel cakes and pop the kettle corn. Families enjoyed letting the kids play all afternoon in the Kids Zone where only ten dollars bought each child an unlimited access pass to play on the inflatables, and Sparky the Balloon Twister passed out free balloon creations to the children.

Couples snuggled together and strolled along the newly added Artists Walkway. They enjoyed shopping for locally made art by local art icons like photographer Stacey Sather and painter Brian Brimmer, not to mention Donna Gray jewelry designer of Global Island Treasures who donates most of her profits to charity. ## The Corner Garden

By Susanne Murphy  
 The Geranium Circle Garden Club

- Finish transplanting by mid-February. Warm spring weather may make transplanting unsuccessful.
- Prune roses if that hasn't already been done. Most rose specialists prefer February pruning.
- Fertilize fruit trees.
- Prune dormant grapes.
- Prepare the spring garden for planting by spading the ground at least two weeks before planting.
- Put raked leaves and grass cuttings in a compost pile.
- February is the month to apply pre-emergence herbicides to control weeds such as sandspurs and goose grass.
- Vegetables to plant: beets, broccoli, cabbage, carrots, cauliflower, celery, collards, endive/escarole, lettuce, mustard, bunching onions, English peas, potatoes, radishes and turnips.
- Annuals to plant: baby's breath, calendulas, carnations, dusty miller, pansies, petunias, Marguerite daisies, snapdragons, dianthus and statice.

The February meetings for Writers in the Shores will be Tuesday the 10th and again on the 24th. We meet the 2nd and 4th Tuesday of each month at 1pm here at the Riverview Club Library. We are a casual group who enjoy sharing their work and related discussion with each other. There are no officers, dues or requirements. All genres are encompassed. For information call me at 794-0789.

## Wild Flower Meadow Group

by Cindy Taylor

In December Joseph Herbst from Baker CO Inc. mowed the meadow and we were fortunate to have him. He followed our instructions and carefully avoided plants that didn't do well, after we had them mowed down last year. We're sorry the mowing disturbed the insects settled in for a Florida winter; but without the annual mowing the meadow would turn into a woods.

During the year we collect wild flower seeds and after the mowing we mixed them with sand and spread them on the ground. The sand keeps the wind from blowing them away and helps the seeds settle into the soil.

We meet the first Saturday of each month at about 8:30 by the Riverview Club House and welcome newcomers. Our goal is to tend the wild flower meadow, learn about native plants, what grows in this location, and how to care for it. We want to share our knowledge, learn what others know, and occasionally visit state and county parks. We're an informal group without officers or dues and hope you will join us. Call Claire at 794-7473 for more information.

### St. Augustine Shores Service Corporation's Board of Directors January Meeting

The St. Augustine Shores Service Corporation's Board of Directors held their monthly meeting January 8, 2015 and conducted the following business.

The Minutes of December 11, 2014 were accepted.

The Treasurer's Report was accepted with explanation of several large expenditures.

Attorney Jeremiah Mulligan, of Rumrell, Mcleod and Brock, P.A. gave a favorable status report on recovery of collections for accounts handled by their Firm.

Mulligan reported on staff changes and changes in accounting procedures. Improvements are having a positive effect on the collection effort.

The Board discussed progress of the pool marcite project which is scheduled to complete the end of January.

Three bids were received for the pool bathhouse renovation, which were opened at a special meeting on January 15, 2015. The Board awarded the bathhouse renovation project to JTN Construction.

Permitting and work are starting with the goal of having essentially new bathhouses by early April.

Important dates prior to the May Annual Meeting were discussed with the critical need for candidates interested in running for Board of Directors making application by February 15, 2015.

Representatives of Homes by Deltona presented their request for a major modification to the PUD affecting Unit 7. The current St. Augustine Shores PUD has a front yard setback of 25 feet and Homes by Deltona has submitted a Major Modification to the PUD, asking for a variance on 16 lots to reduce the front yard setback from 25 feet to 20 feet. ### Hello Volunteers!

### St. Augustine Lions Seafood Festival

The 34th St Augustine Lions Seafood Festival will take place on March 6th-8th, 2015. Once again the St. Augustine Lions Club will be seeking over 200 volunteers to help making this event very successful.

The Lions Club will again have incentives for non-profits, similar to previous years. Only approved non-profits may participate and only their own members/families. Volunteers must be 18 and over for most jobs. Volunteers age 14-18 can work in limited areas such as drink booth and dining room.

Every volunteer should have an email to log in to the volunteer site and sign up, track, train and communicate. Volunteers can NOT use an email already used by another volunteer, since that would instantly delete them. It is highly suggest that each non-profit select a team captain or coordinator to simplify this process. Captains or individuals can log in to sign up themselves or others.

The Lions Club reserves the right to re-assign volunteers to different jobs (during the same time) then what they signed up for. Email questions or requests to [volunteers@lionsfestival.com](mailto:volunteers@lionsfestival.com). Start volunteering at this website <http://staugustinelionsfoundation.volunteerlocal.com/volunteer>.

## Florida Native Azaleas The Heart of Every Landscape

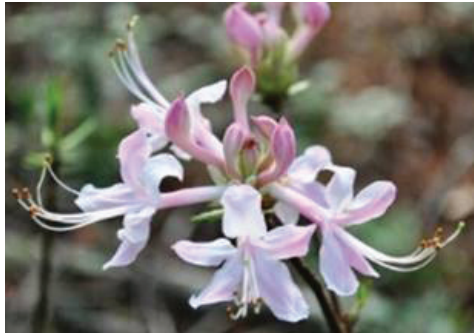

With the spring season just around the corner, discover the beauty and benefits of Florida native azaleas on February 13 & 14 at the grand re-opening of Native Gardens Nursery, 1660 County Road 13A S, Elkton FL, from 10am-4 pm.

Most of the evergreen azaleas growing in Florida home landscapes are hybrids, and originally came from Asia. Native azaleas have smaller flowers and are more delicate-looking, but they are also very fragrant, whereas non-natives have no fragrance. Natives, like the

Pinxter and Florida Flame azalea, are becoming more popular in North and Central Florida gardens.

"For a beautiful spring display, it is critical to plant your native azaleas at this time", says Master Gardener Renee Stambaugh, "the birds and butterflies will thank you".

Located just west of St. Augustine, Native Gardens Nursery has the largest selection of Florida native azaleas in the area. For more information, visit [www.nativeplantconsulting.com](http://www.nativeplantconsulting.com) or call 904-692-3927.
