Do you have ideas or suggestions for the NDSRT board?

Email us or speak to any board member.

We would love to hear from you!

Welcome to the NDSRT new newsletter!

We hope to use the NDSRT Newsletter as a way to better communicate with the radiology community across the state. The board has been working hard to offer our members continuing education opportunities and serving as advocates for the profession. Look for the NDSRT Newsletter to be distributed on a quarterly basis.

The NDSRT Board is looking for a "Member at Large"

We are looking for a fun, energetic, computer savvy RT to create and distribute the NDSRT newsletter and help with the NDSRT Facebook page. Are you an individual who wants to be involved in a fun way to progress the profession? If so, please email a short biography to the NDSRT board regarding your interest and strengths. Attending board meetings is optional but encouraged. Interested individuals should apply [here](#).

Save the Date for the 2022 Annual Educational Conference!

We are excited to announce the NDSRT is hosting an in-person, 1 day educational conference in 2022. The conference will be **Saturday, April 2, 2022** at the Radisson Hotel in downtown Bismarck. We have a great group of presenters, 2 interventional radiologists, 1 radiologist, 1 oncologist, 1 orthopedic surgeon, 1 general surgeon and an experienced sonographer providing presentations on a variety of topics in the field of radiography. We have multiple vendors looking forward to coming back to in person conferences also. Please join us for 7 CME's and a great time in downtown Bismarck.

Information on registration and hotel accommodations will be announced later.

Congratulations to Amy Hoffman on becoming an ASRT Fellow!

The honorary category of Fellow is bestowed upon members who have made outstanding contributions to the radiologic technology profession and to the ASRT. Amy is one of two ASRT Fellows in the state of ND. Congratulations Amy and thank you for your contribution to our society!

Meet the NDSRT Board

Allie Reisenauer- Intermediate Chair

Allie was born and raised in Bismarck, ND. She attended St. Mary's Central High School and graduated in 2014. She went to Bismarck State College for 1.5 years and played college volleyball while doing her pre requisite classes. She then transferred to NDSU to finish her classes and begin her internship for radiologic sciences. She got accepted into the Sanford Fargo School of Radiologic Technology and graduated college in 2019. From there she moved back to Bismarck where her family and friends were. Right after school she knew she wanted to take extra boards to be prepared for the future. She took and passed her CT and mammography boards right after school and started in the general x-ray department at Sanford Health Bismarck hospital. Just recently in December 2020, she moved into the mammography department at Sanford Bismarck. While in the last year of her internship, she joined the NDSRT board, eager and excited to learn more about her profession and to meet a lot of amazing people!

Tammy Romesha – Chair of the Board

This is Tammy's last year on the board and she has enjoyed working with all her fellow dedicated volunteer board members. She has loved getting to know everyone in their in-person meetings and frequent zoom meetings. Tammy is originally from California but has lived in Germany and Colorado as well as living in ND for the last 10 years. Tammy is a CT tech with Trinity in Minot. She graduated with her second bachelors in radiology over two years ago from MSU. Her first was in Biology from CSU Pueblo. She has three children, two daughters and a son. Besides family road trips, she likes camping, kayaking, yoga, biking, gardening and her newest is kickboxing. She likes to throw parties and is very craft orientated. She is very involved with her children's lives as well as, being on PTA, coaching volleyball and being a BSA leader.

Dawn McCarty – Vice President

Dawn lives in Windsor, ND and is employed by Sanford Health as the Mammography Supervisor of the Bismarck and Mandan locations. She has 23 years' experience in radiology. She has been a member of the NDSRT for many years and has held a couple of offices and worked on a few committees while being a member of the NDSRT.

The society is a great place to meet people and network/connect in many ways. Dawn wants to continue to contribute to growing our local organization, making many new friends and to help support our great profession and our technologists.

The NDSRT has many opportunities for student involvement!

Visit the student [page](#) on our website for more information on leadership development, exhibit and essay contests as well as scholarship opportunities.

Meet the NDSRT Board

Abigail Berg – Secretary

Abigail grew up on a farm in Eastern Montana, then attended college at the University of Mary where she received her bachelor of arts in Radiologic Technology with minors in Theology, as well as Health and Wellness. After graduating radiology school Abigail went to the University of Kansas to obtain a certificate in Nuclear Medicine. Once finished with all schooling Abigail came back to the Bismarck area where she has since worked as a PET/CT tech as well as nuclear medicine tech. Abigail currently works at CHI St. Alexius Health as an imaging supervisor. During her free time Abigail enjoys spending time with her husband and two dogs. Her passion is engaging the younger population of technologists and advocating for technologists to be more involved in the radiology industry.

Cori Brothers – Treasurer Elect

Cori has been a registered technologist since 2003. Cori attended the Radiology program at Century College in White Bear Lake, MN graduating in 2003. After college she worked in general radiology in the Twin Cities area. Moving to Bismarck in 2014 to be able to spend more time with family. In her free time, she and her husband enjoy watching their three kids play many sports, she is easily distracted by plants, especially succulents, and enjoys indoor cycling. Cori is currently working at CHI St. Alexius as the Mammography Coordinator and CT Technologist.

Amanda Grocott – President

Amanda grew up in Napoleon, ND. She graduated from NDSU in 2010 with a BS in radiologic sciences. After graduation, she began working at Sanford USD Medical Center in Sioux Falls, SD as a CT technologist. In 2016 she received her MBA in healthcare management and began working as the program director for the Sanford Medical Center Fargo School of Radiography. Amanda is passionate about lifelong learning and being an advocate for the radiography profession. She and her husband have two sons. They live in West Fargo where they and enjoy spending time outdoors with their dog.

Lori Kiefert – Treasurer

Lori grew up in Dazey, ND. In 2008 she received her AAS in radiologic technology from MSCTC. She currently works as a Radiologic Technologist at Sanford Health in Valley City. She is also a clinical coordinator for M State students. She and her husband live in Valley City, ND. Lori has 4 daughters, 1 step-daughter, 3 granddaughters, 1 grandson and 1 great grandson. She loves listening to music, quiet time in her backyard growing flowers and vacationing to various countries. Her favorite holiday is Thanksgiving

Carla Barrios – President Elect

Carla has been working as a Radiologist Assistant (RRA, RPA) since 2006. A profession she loves! She has been a Radiologic Technologist for a long time☺, working in IR, Cardiovascular imaging, mammography, Bone Densitometry and management. She is truly passionate for the Radiology profession. She looks forward to representing the profession and continually propelling the profession into the future to ensure patients will always have qualified and educated Radiologic Technologists performing their imaging examinations and procedures.

The Radiologic Technologist Societies of

Kansas · Nebraska · North Dakota · South Dakota · Wyoming

are proud to present the 2021-22

Continuing Education Series

Visit your local affiliate's website for more information!

The continuing education series will provide NDSRT members with 5 FREE CEUs each year that are offered in an on-demand format. Don't miss out on this great opportunity! Become an NDSRT member today by visiting our [website](#)! Already an NDSRT member? Watch your email for the first ACE Team CEU to be offered in September.
