Our Program

- ❖ **Our program is being altered this year.** We will be holding four months of classes, followed by a modified recital “showcase.” All dancers will be learning one genre of dance and performing a dance to that genre. The recital date and location is still being determined. We are looking at the end of April/beginning of May. We plan to have simplified costuming, accommodating any supply issues that may arise.
- ❖ Our program for all groups starts the first week of January, beginning with Monday January 2nd.
- ❖ **LOCATION-** Classes are held at the Oconto Falls Senior/Community Center, 512 Caldwell Avenue, Oconto Falls. Renovations are still in the process, so depending on confirmed dates with their contractor, we may not be able to start at the senior center in January. We will keep you updated and if the senior center will not be completed by that time, we have made plans to rent the basement of St. Anthony School, 253 North Franklin Street, Oconto Falls. Please see the provided schedules below and make sure that either works for your family.

If there is no way you can attend registration either night, you need to make arrangements in advance. If necessary, a wait list will be started.

10/29/22

We will be sending our registration materials via email and will have printed materials, including a parent handbook, at our registration/open house for your convenience.

New students have been added to a list in chronological order of the timeframe they contacted us for information. New students will be accepted in that order, provided they attend registration and make the initial payment that is due, which is half of tuition and a \$50 costume down payment.

The Oconto Falls Senior/Community Center is still under renovations and due to this we are adjusting our program and doing our best to continue to provide a fun and challenging dance environment for your child. All of the information in this document is subject to change. If anything should change, we will let you know immediately via email. Please continue to check your email for updates.

If there is a timeframe where classes are shut down due to COVID-19 closures or multiple illnesses, we would move to virtual learning through the Band App. This would only apply if we would be missing more than one class per group. If there are weather cancellations, we will not make them up unless the instructors feel it is necessary. You would be informed in advance if this is the case.

Thank you for your patience as we move forward together. We are looking forward to a wonderful year. God bless!

Dancingly yours and dancin' for Him,
Tina Kostreva
CDC's Director and Owner
