

# KEEPING YOUR BOATING EXPERIENCE FUN AND SAFE NASBLA Seal of Safe Boating Practices

A Checklist from the U.S. Coast Guard and this Company

- I will make sure my passengers and I each have a properly fitted and properly adjusted U.S. Coast Guard-approved life jacket and know how to put it on.
- I understand that my passengers and I should wear a U.S. Coast Guard-approved life jacket at all times when boating.

- I have assigned one responsible adult to keep track of the whereabouts and safety of each child on board.
- I understand that life jackets sized for adults are unsafe for children.

- I understand when crossing the path of another boat, I should yield to the boat on my right, (starboard).

**- IF I OR THE OTHER BOAT FAIL TO ACT -**

- I understand there is the threat of a collision and it is my responsibility to slow down, steer away and/or stop.

- I understand that when I meet another boat head-on I should steer to the right (starboard).

- I understand that when I overtake another boat I should pass on the left (port) side, leave plenty of room, and yield (give way) to that boat. If conditions require it, I may pass on the right (starboard) side.

- I understand that I must yield (give way) to all boats under sail.

- I understand that under Federal and/or State law it is a crime to operate a boat while persons are sitting on the front (bow), sides (gunwales), rear (stern), or swim platform. This behavior is considered grossly negligent operation of a boat.

- I understand that using alcohol, drugs and certain prescription medications may impair my ability to operate this boat safely.
- I will not operate this boat or allow anyone else to operate this boat while under the influence of alcohol or drugs.

- I will not permit swimming, diving, sliding, or jumping from or near the boat unless the boat motor is turned off, the keys are removed, and I have counted to ten to allow the propeller time to stop spinning.
- I will check to make sure that the water is deep enough before allowing head-first diving from the boat.
- I will instruct my passengers never to dive or jump off of a moving boat.

- I confirm that rental company staff have informed me about local hazards such as shallow water, submerged objects, currents, and weather conditions. A list is attached.

- I acknowledge that rental company staff have explained to me the local laws and regulations that apply to boating in this area. I understand them and will follow them carefully.

- I understand that five short blasts of a horn or whistle signal danger or need for assistance.

- I understand that it is recommended that I take a safe boating course approved by NASBLA through the U.S. Coast Guard Auxiliary, United States Power Squadrons® and individual states which would help me when I rent or operate boats.
