Subject: Transferring student to another school

Dear Mrs. *Selon Ashouri*

This is Mr./Mrs. _____ and it is my humble request to kindly withdraw
Mother/Father' Name/Guardian

this student, _____ in grade 9 | 10 | 11 | 12 from Daryk High School for
Name

the year 2023-2024 admission/from new term coming.

I acknowledge that this above student has decided to move out from Daryk High School and registers to a new one in his/her own and parents' choice. The students and his/her parent/Guardian has no claim about the choice.

I acknowledge that his/her registration was for a full year (started on January) but he/she has passed just one term in the school/left earlier. I assure that he/she will continue his/her studying in his/her new high school.

I acknowledge that, as the payment on his/her contract, his/her parents and I (as his/her guardian) have no claim of refunds of it. It was clearly said on the contract there will be no refunds after commitment/starting the school and registration whether the student stays or leaves during or at the end of the year.

I acknowledge that the school did not charge extra for his/her year tuition.

We are thankful for the school action and support.
