FIG TREE INTERNATIONAL PROFILE

Fig Tree International Ltd provides advice, challenge and support to schools both in the UK and internationally. This school improvement service has been established to give schools the opportunity to secure additional support and to provide high-quality training and help. The team consists of experienced advisers/consultants with a strong track record of improvement and a thorough understanding of educational contexts.

WHO IS THE PROGRAMME FOR?

This programme is for ITT providers and training schools that are seeking to complement their provision or are looking for a more efficient way to deliver high quality training to their trainees.

It is also for NQTs looking to expand their knowledge.

HOW IS THE PROGRAMME ASSESSED?

This programme is a support programme. There is no formal assessment. The aim is to empower the trainees to interview and beyond.
