

Project Appleseed Returns To Spooner!

Do you know what happened on April 19, 1775?

What did Captain John Parker tell the Lexington Militia on the Green that morning?

What are the Six Steps of Firing the Shot?

Who was Captain Isaac Davis?

How do I zero my rifle using inches, minutes and clicks?

What is Natural Point of Aim and how do I use it to hit my target?

What is the greatest challenge facing a Rifleman at longer distances?

Who caused the British Army to break ranks and run for their lives at North Bridge?

Learn the answers to these and many other questions on the weekend of July 18-19, 2020 at Indianhead Rifle and Pistol Club when Project Appleseed returns to Spooner for another great weekend of Marksmanship, History and Heritage.

Project Appleseed is a nonprofit all-volunteer organization that teaches three things: The traditional skills of the American Rifleman, the true history of the founding of the country on April 19, 1775 and why marksmanship was essential that day.

The two-day event will include instruction on rifle safety, proper marksmanship techniques and live fire practice. Students will also have the opportunity to earn the coveted Rifleman patch by shooting a qualifying score on the Appleseed Qualification Test (AQT).

In addition to expert marksmanship instruction, students will hear historical storytellers passionately share the Three Strikes of the Match, a series of three pivotal events that ignited the Revolutionary War.

Project Appleseed events are suitable for both new and experienced shooters. Families are more than welcome. All rifles from .22 rimfire to .32 centerfire welcome.

Questions? Call or email Mike/"Taylor" at (715) 466-5145 or mpalucci@centurytel.net
